Enquiry No. 15107.

Local Indent No. 16821.

Sub.—Your quotation for the supply of Clocks and Timepieces for the Mysore Government Departments during the period ending with the 30th November 1957.

6 r

Gentlemen,

No. S.P.C. 62616-17. I write to request you to be so good as to enter an order for the material described in the following schedule,at the price specified therein and arrange to make supplies on indents from such of the Departmental Officers as may require the materials and in such quantities as may be required by them from time to time, all indents being complied with withih a fortnight from the date of receipt of indents.

This contract will be in force from 10th December 1956 to 30th November 1957 and the materials will have to be supplied throughout the said period the price accepted herein and no enhancement of the said price for whatsoever, reasons can be granted.

Please note that the materials to be supplied should strictly conform to the specifications given in the schedule, failing which they will be rejected. All rejected supplies should be replaced by correct materials within a week from the date of rejection.

Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance or non-supply in time or regularly, or supplying materials, which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following :—

1. Cancellation of the indent or order in part or in whole.
2. Imposition of penalty at the rate specified in the indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President of the Stores Purchase Committee.
3. Forfeiture or adjustment of Earnest Money or/ and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee, and
4. Recovery of extra cost, if any, incurred by the departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

Whatever may be the conditions of sale specified or indicated in the tender quotations it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

The bills of cost shouldbe sent in duplicate to the indenting officers who will arrange payment.

The Clocks and Time-pieces to be supplied to the Director of Public Instruction in Mysore, should be inscribed with the letters "D.P.I." without any extra cost.

You are requested to execute an agreement on a Mysore Government Stamp Paper of Rs. 1-8-0 binding yourself to execute the contract satisfactorily and also deposit Rs. 200 (Rupees two hundred only) as a security. A draft agreement form is enclosed herewith for the purpose.

The above local indent number should be quoted in all correspondence relating to this order.

Please acknowledge receipt of this order and confirm.

To

The Firms dealing in Hospital Steel Furniture for use in the Medical Department.

Enquiry No. 15407.

Subject :—Rate Contract for supply of Hospital Steel Furniture for use in the Medical Department of the Government of Mysore during 1956-57.

Dear Sir/Gentlemen,

No. S.P.C. 64163-192. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule in the form printed below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions following the last enquiry :—

Withdrawal from the quotation after it is accepted or failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance or non-supply in time or regularly, or supplying material, which does not conform to the specifications, quality prescribed or the sample approved or

which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following :—

(i) Cancellation of the indent or order in part or in whole.

(ii) Imposition of penalty at the rate specified in the indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President of the Stores Purchase Committee.

(iii) Forfeiture or adjustment of Earnest Money or/ and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee.

(iv) Recovery of extra cost, if any, incurred by the Departments, in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that, if any, successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

The articles and the quantities mentioned in the enquiry are only provisional and the Stores Purchase Committee reserve the right to place orders either for all the articles and for the quantity mentioned in the enquiry or for such of the articles and in such quantities as may be actually required at the time of placing the order and subsequently before the close of three months from the date of expiry of the enquiry and to close the enquiry thereafter. It is open to the Stores Purchase Committee to institute fresh enquiry even earlier, if it considers fit and desirable for satisfactory reasons.

The quotations should be superscribed "**Quotations for supply of Hospital Steel Furniture for use in the Medical Department**" with the above enquiry number.

This enquiry will be closed on the 7th January 1957.

SCHEDULE.

9. Racks steel 5'×3'×2' with 6 shelves patties all round to hold the bottles.

The contract is subject to the following conditions. :—

The Stores Purchase Committee do not bind themselves to accept the lowest or any tender.

2. Tenderers should specify rates per unit in the schedule, which rates should include the cost of delivery of the articles at any Railway Station in the New State of Mysore and any tender in which the rate quoted does not fulfil the foregoing conditions, will be liable to be rejected as far as items tendered for in opposition to the said conditions are concerned. The tendered rates should hold good for a period of one year from the date of the order communicating the acceptance of the tender. No claim for any increased rates during the currency of the contract, will be allowed under any circumstances.

3. Each tenderer should remit to Reserve Bank of India, Bangalore, an earnest money of Rs. 200 in cash and clearly indicate in the tender the fact of such remittance. Tenders not complying with this clause will not be considered.

4. The articles will be required to be delivered on indents from the officers of the medical department at the destinations to be specified by them, within a period of six weeks from the date of receipt of indent in exact conformity to the specifications furnished to the tenderers.

5. The articles will be required to be manufactured according to the specifications detailed in the schedule and supplied within the specified period above.

6. The soundness of all the articles should be guaranteed for one year during which period the defects that may be noticed by the Department will have to be rectified by the Contractors at their cost.

7. The successful tenderers are required to execute an Agreement on a Mysore Government Stamp Paper of the value of Rs. 1-8-0 undertaking to abide by the conditions of the order. A security deposit that may be specified in the order, should also be deposited in the Reserve Bank of India, Bangalore, otherwise the order placed will be cancelled.

8. Each article shall bear the manufacture'rs trade mark or other distinguishing marks in addition to the particulars specified in the indent.

9. No allowance shall be claimed by or made to the contractors whose tenders may be accepted for any error of whatever description that may be discovered after their tenders be sent in.

N.B.—1. Rates quoted should hold good for a period of one year from the date of acceptance of the tender.
2. Sales-Tax and other taxes if any should be quoted separately.
3. Samples if required, should be produced by the tenderers.
4. Quotations with firm prices will be preferred.
5. No enhancement of prices will be allowed after the acceptance of the tender.
6. Quotations should be sent in duplicate.
7. Quotations will be opened at 2.00 P.M. on the next or subsequent working day after the closing date of the enquiry.

To

The Firms dealing in Hospital Equipments.

Enquiry No. 15433.

Subject.—Supply of Equipments required for use in the T. B. Ward attached to McGann Hospital, Shimoga.

Gentlemen,

No. S.P.C. 66669-99. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions following the last enquiry.

The quotations should be sent in duplicate in sealed covers duly superscribed "**Quotations for supply of Equipments required for use in the T. B. Ward Attached to McGann Hospital, Shimoga**" with the above enquiry number.

This enquiry will be closed on the 31st December 1956.

SCHEDULE.

		F.O.R. Shimoga Time of delivery—Urgent Quantity required
	Laboratory Equipment.	
1	Microscope, oil immersion and 4 eye pieces-complete	1
	Operation Equipment.	
1	Spirometer, Gasometer type	1
2	Lilington's Pearsons Pneumothorax apparatus consisting of one graduated bottle and one plain with rubber cork and connecting pieces and 2 best German A P. needles.	1
3	A.P. Needles	1 dzn.
4	Electric steriliser 8 x 2 x 1½"	1
	Other Articles.	
1	Personal Weighing machine Salter's dial type (English).	1
2	Sputum cups, brass with lids	100
3	Dressing drums	4

N.B.—1. Please mention the maks of the equipments offered in your quotations.

2. An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee and the fact noted in the tender.

To

The firms dealing in Laboratory Equipments.

Enquiry No. 15440.

Sub:—Field Laboratory Equipments for Sharavathi Valley Hydro-Electric Project.

Gentlemen,

No. S.P.C. 66700-730. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be destinctly understood that the acceptance by us of your quotation will be subject to the conditions following the last enquiry.

The quotations should be sent in duplicate and in sealed covers duly superscribed "**Quotations for the supply of Field Laboratory Equipments for Sharavathi Valley Hydro-Electric Project,**" with the above enquiry number.

This enquiry will be closed on the 2nd January 1957.

SCHEDULE.

		Qnty. reqd.
1	100 tons Compression Testing Equipment—Self-contained portable type, self indication of load Hydraulic operation by oil. Integrated hand operated double plunger pump. Square platens, bottom platen fixed. Top spherically seated. Hinged at metal *cord*. Capacity 100 tons. Specimens (Max.) 9" × 9" × 9". Load range 100 tons × 0·5 ton with additional gauge 40 tons × 0·2 tons and stop valve. To conform to B.S.S. 1891/1922. F.O.R. Talaguppa R.S.	One
2	Tensile Testing Machine (for cement and surki mortar)—Constant rate of loading—hand operated. Capacity 1,200 lbs. automatic loading by means of lead shot-one gun metal mould for producing standard cement briquette specimens. Load range with sub-divisions 100 lbs. × 1 lb. on steel yard with proportional weights equivalent to 1,100 lbs. making up the total capacity 1,200 lbs. to conform to B.S.S. 12/1947. Accuracy *plus* or *minus* 1½ per cent of the indicated load above 20 per cent capacity, with vicat needle apparatus and Lechatlier test apparatus. F.O.R. Talaguppa R.S.	One

N.B.—1 Delivery terms to be stated. As the equipment is urgently required, supply from Ready Stock will be preferred.

2 Facilities for after-sale service to be indicated.

3 An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee, Bangalore and the fact noted in the tender.

The quotations should be sent in duplicate and in sealed covers duly superscribed **"Quotations for the Analytical Balance, etc., required for Sharavathi Valley Hydro-Electric Project"**, with the above enquiry number.

This enquiry will be closed on the 9th January 1957.

SCHEDULE.

F.O.R. Tarikere Rly. Station.

1. Class A Beam, capacity 200 grams sensitive to 0·1 m g m. (0001 gram) under full load. Phosper bronze beam 6" (150 mm.) long. Continuous agate knife-edges, long down pointer, moving over an ivorine plate graduated to 5 divisions on each side of zero. Coplanar rider bar for very fine weighings graduated 50 divisions each side of a Central Zero.
   Fitted with pillar of phosphor bronze with gun metal mould arrest bar of phosphor bronze, agate plane bearings Full relief for all knife-edges, pans slightly dished to 1" diameter carried on double cranks, all of stainless steel, fitted in case of glazed mahogany or teak with sliding panel at front, spirit level and levelling feet, pan support. Base board stained black and polished ... One
2. Humidity cabinet. Inside dimensions 14"×13"×14" Outside dimensions 28"×24"×43" max. current. 1400-W. to suit 230 volts. 50 cycles, A.C Current relative humidity controlled within 2 per cent at any point dry bulb temperature accurate to 1.C. wet and dry bulb temperatures are individually controlled by automatic hydraulic thermostat. Power selected switch on dry bulb heater to permit selection of wattage in relation to temperature and work load. The motor and blower to be on separate toggle switch so that the unit can be operated as a gravity unit. All stainless steel inside and out, inner glass observation door, along pressure type latches ... ... One
3. Electric Stirrer height 30", 1/6 H.P. to work on electric current 230 volts, 50 cycles, A.C. approximate R.P.M. 2000 ... ... One
4. Electric hot air oven to work on electric current 230 volts, 50 cycles A.C. range 0-300°C. Controlled sensitivity 0·1 C. capacity 1 C.ft. ... ... One
5. Electric driven gas plant, capacity 2 burners burning simultaneously, complete with gas holder automatic working arrangement fitted with motor blower, to work on 230 volts, 50 cycles, A.C. current including 2 burners, rubber tubing complete. One
6. Bench platform scale (batching scale) capacity 250 lbs. steel yard graduations by 1 oz. up to 5 lbs. and loose proportional weights to take up full capacity, size of platform 18½"×19½" ... ... One

N.B.—1. Rates F.O.R. Talaguppa Railway Station to be quoted.
2. Delivery position to be indicated. As the equipment is urgently required supply from ready stock will be preferred.
3. An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee, Bangalore, and the fact noted in the tender.

Dated 18th December 1956.

To

The Firms dealing in Portable Telescopic Ladders.

Enquiry No. 15443.

Sub.:—Portable Telescopic Ladder for B. R. Project.

Gentlemen,

No. S.P.C. 66731-61. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions following the last enquiry:—

The quotations should be sent in duplicate and in sealed covers duly superscribed **"Quotations for Portable Telescopic Ladder for B.R. Project"** with the above enquiry number.

This enquiry will be closed on the 9th January 1957.

SCHEDULE.

F.O.R. Tarikere Railway Station.

1. Telescopic ladder portable type for use on 45 ft. pillar from ground level with 20 at top with pillar to be hoisted mechanically or electrically with spare Motor 230-V. 50 N. with rubber tyred 4 wheel chassis ... One

N.B.—1. An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee Bangalore, and the fact noted in the tender.

488

Dated 19th December 1956.

To

The Firms dealing in pumpsets.

Enquiry No. 15449.

Subject:—Pumpsets for use in Challakere Water Supply Works.

Gentlemen,

No. S.P.C. 68207-36. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the Schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions following the last enquiry.

The quotations should be sent in duplicate and in sealed covers duly superscribed **"Quotations for Pumpsets for use in Challakere Water Supply Works"** with the above enquiry number.

This enquiry will be closed on the 10th January 1957.

SCHEDULE.

Specifications for directly driven electric pumpsets for Challakere Water Supply Works:—

The Pump and Motor described below shall be mounted on a cast iron bed plate and connected by means of a flexible coupling.

A. Pump.—Capacity 260 gallons p.m. of reasonably clear water (with a residual chlorine of 0·5 P.P.M.) against a total head of 130 ft. from all causes. The pump should work at 1440 R.P.M.

Type of Casing.—Horizontal spindle split at the shaft centre line.

Impellers.—To be of true phospher Bronze.

B. Motor.—Type-Squirrel cage induction motor totally enclosed or drip-proof and tropically insulated R.P.M. 1440.

Power Supply available.—Alternating current 3 phase 400—440 volts and 50 cycles.

Capacity of Motor.—20 H.P.

C. Accessories to accompany each set.—(a) Pump—(1) Foot valve, and strainer, delivery valve, non-return valve with Bye-pass, pressure gauge 0-200 ft. vacuum gauge priming tandish. One set of spanners suitable for overhauling the pump and motor.

(b) Motor.—Auto transformer type starter suitable for the motor, ammeter reading from 0-50 amperes. Voltmeter 0-600 volts.

D. Spares to be supplied with each set:—

(a) Pump.—(1) One set of rotating elements.
(2) One set of bearings.
(b) Motor.—(1) One set of bearings.
Number of sets required ... Two—complete.

N.B.—An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee, Bangalore and the fact noted in the tender.

546

Dated 20th December 1956.

To

The Firms dealing in Textile Machinery.

Enquiry No. 15450.

Sub.—Supply of Textile Machinery to S.K.S.J.T. Institute, Bangalore.

Gentlemen,

No. S.P.C. 68360-390. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions following in the last enquiry:—

The quotations should be sent in duplicate and in sealed covers duly superscribed **"Quotations for Supply of Textile Machinery to S.K.S.J.T. Institute, Bangalore"**, with the above enquiry number.

This enquiry will be closed on the 21st January 1957.

SCHEDULE.

F.O.R. Bangalore.

1. Mild Steel Kier, Cottage type (open width and rope) Multi-tubular Heater type 100-500 lbs. cap. with motor, complete with necessary accessories.
2. Jigger, 45"—60" width with motor and accessories (non-automatic).

3. Winch dyeing machine—Stainless Steel "long close" type, 30—50 gals. cap. with motor and accessories.
4. Absorpti meter Photo-Electric type with accessories (spekker).
5. Stainless Steel vats or monel metal vats, 10, 40, gallons having a drain off valve and perforated false bottom stainless steel.
6. Padding Machine—Two Bowl Machine 50 per cent width with motor and accessories.
7. Calender—Three Bowl, Universal Calendar, 60"—60" width with motor and accessories.

NOTE.—The local electrical power supply is 440 volts, 3 phase, 50 Cft.

N.B.—An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit account of the Secretary, Stores Purchase Committee, and the fact should be noted in the tender.

544

Dated 18th December 1956.

To

The Firms dealing in Medicines and Drugs.

Enquiry No. 15451.

Subject.—Supply of Medicines and Drugs for the Government Medical Stores, Bangalore.

Gentlemen,

No. S.P.C. 67324-73. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions, following the last enquiry.

The quotations should be sent in duplicate in sealed covers duly superscribed "**Quotations for supply of Medicines and Drugs for the Government Medical Stores, Bangalore**" with the above enquiry number.

This enquiry will be closed on the 29th December 1956.

SCHEDULE.

Insulin ... Protomin Zinc 40 Units per c.c. ... 500 Vials.

N.B.—1. Quotations offering from immediate stocks will be preferred.
2. Delivery free at the Medical Stores or F.O.R. Bangalore City.
3. The tendered rates should hold good for a period of 12 weeks from the last date fixed for receiving the tenders.
4. The tenderers should supply the stores in tins, bottles or packages, as per schedule in the manufacturer's original packings, indicating the full name of the Drug and its quantity.
5. An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the personal deposit account of the Secretary, Stores Purchase Committee, and the fact should be noted in the tender.

556

Dated 18th December 1956.

To

The Firms dealing in Carbide Tipped Drill Rods.

Enquiry No. 15454.

Sub.—Carbide Tipped drill rods required for B. B. Project.

Gentlemen,

No. S.P.C. 68101-140. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions following the last enquiry.

The quotations should be sent in duplicate and in sealed covers duly superscribed "**Quotations for Carbide Tipped Drill Rods required for B.R. Project**", with the above enquiry number.

This enquiry will be closed on the 10th January 1957.

SCHEDULE.

	F.O.R. Tarikere.
Tungsten Carbide Tipped drill rods having 7/8" dia. x 3/4" shank and 2 7" below the shank.	75 Nos.

N.B.—An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the pesonal deposit account of the Secretary, Stores Purchase Committee, and the fact should be noted in the tender.

553

Dated 19th December 1956.

To

The Firms dealing in Mechanical Equipment.

Enquiry No. 15457.

Subject:—Supply of Tool Grinder to College of Engineering, Bangalore.

Gentlemen,

No. S.P.C. 68171-200. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions following the last enquiry.

The quotations should be sent in duplicate with sealed covers duly superscribed "**Quotations for Supply of Tool Grinder to College of Engineering Bangalore**" with the above enquiry number.

This enquiry will be closed on the 10th January 1957.

This enquiry supersedes our previous enquiry No. 15087.

SCHEDULE.

Description	F.O.R. Bangalore.
Tool Grinder with graduated swivel table for carbide tools.	One.
2. Single wheel cemented carbide Tool grinder for grinding the faces and radii of Single point carbide tipped tools, equipped with the following:— (1) Graduated swivel table with keyway protractor guide. (2) Wheel of size approx. 6" (3) Spare wheels for Rough grinding finish grinding and lapping. (4) Cooling trough, Diamond dresser for wheels. (5) Motor for 440 V/220 V—50 Cls. supply. (6) Angle measuring instrument, for measuring clearance, lip and rake angles.	

N.B.—An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee and the fact should be noted in the tender.

523

Dated 18th December 1956.

To

The Firms dealing in Auto Machinery.

Enquiry No. 15455.

Subject:—Supply of Diesel Engine driven Portable Welding Set mounted on Trolley for Mysore Government Road Transport Department, Bangalore.

Gentlemen,

No. S.P.C. 67981-68010. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions following the last enquiry.

The quotations should be sent in duplicate and in sealed covers duly superscribed "**Quotations for the supply of Diesel Engine Driven Portable Welding Set mounted on trolley for Mysore Government Road Transport Department**" with the above enquiry number.

This enquiry will be closed on the 3rd January 1957.

SCHEDULE.

	F.O.R. Bangalore. Immediate Delivery
1. Diesel Engine driven Portable Welding sets mounted on trolley complete with cables welding handle, goggles, hood and complete set of accessories.	Two Sets.

N.B.—1. An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary Stores Purchase Committee, Bangalore and the fact noted in the tender.

522

Dated 20th December 1956.

To

The Firms dealing in T.P.S.T. Switches and Fusible Disconnects.

Enquiry No. 15459.

Sub.:—Supply of 17 T.P.S.T. Switches and 33 fusible disconnects for 33 KV. Unit Sub-Stations.

Gentlemen,

No. S.P.C. 67773-822. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the conditions following the last enquiry.

The quotations should be sent in duplicate in sealed covers duly superscribed "**Quotations for T.P.S.T. Switches and Fusible Disconnects**" with the above enquiry number.

This enquiry will be closed on the 16th January 1957.

SCHEDULE.

I. 2·01·00 General: Scope—This specification covers manufacture, test at works and supply of the equipment set out in the schedule attached and is for use at various Unit Sub-Stations all over Mysore State. This shall be offered each packed for export shipment to Madras.

2·01·01—Irrespective of anything said or omitted the equipment shall be suitable for the purpose it is intended.

2·02·01—Weather conditions—The equipment is going to be installed in a place subject to a variation of temperature between 45°C from maximum in summer to 15°C minimum in winter, rainfall varies from 15" to 50" and most of it occurs in the period, May to October. Rain is attendent with severe lightning.

2·02·02—The equipment is going to be installed at an altitude not exceeding 3,000' above sea level.

2·03·01—The equipment offered shall conform to the latest B.S.S., A.I.E.E. or other internationally accepted standard.

2·04·01—The successful tenderer shall fully guarantee for a period of one year from installation, the satisfactory operation of the equipment offered by him, and shall agree to replace free of cost any item which may fail by reason of defective materials workmanship and design.

2·04·02—Due importance will be attached to a short delivery period when considering tenders.

2·04·03—The tenderer shall clearly state the F.O.B. Foreign Port, C.I.F. Madras. For Madras and for Bangalore prices, preferably in the schedule attached for the purpose.

2·05·00—All equipment offered shall have the following nameplate marking:—

1. Type.
2. Manufacturer's name.
3. Date of manufacture.
4. Rated current carrying capacity.
5. Rate voltage.
6. Maximum capacity in respect of:—
   (a) Voltage.
   (b) Current.

2·06·00—Certified results of all high voltage tests conducted as per the requirements of B.S.S. shall be submitted to the purchaser by air mail for his approval before the equipment is shipped. Subsequently four copies of the test certificate shall be made available.

II. Particular Specifications for 33 Nos. Fusible Disconnects (33KV).

2·01·01—The fuse unit shall comprise of insulators, fixed on a suitable channel, with fuse holders contact making arms and fuses.

2·01·02—The units shall be suitable for 33 KV, solidly grounded system and for outdoor installation in tropical climate.

2·01·03—The fusing elements shall be of high rupturing capacity with predetermined time current fusing characteristics.

2·01·04—The conducting element of the fuse unit shall carry the rated current without appreciable temperature rise. The fuse carrier assembly shall be designed for a current carrying capacity of 400 amps.

2·01·05—Proper facilities to remove the blownout fuses by means of hickory rods, shall be incorporated.

2·02·02—The fuse elements shall be easily replaceable.

2·02·02—The fuse element shall be of high quality, resisting extremes of climate, corrosion and burning.

2·02·03—There shall be a clear indication of the blown fuses, from a considerable distance.

2·03·00—Time current characteristics in triplicate shall be furnished along with the tenders.

2·04·01—The mounting insulator characteristics shall be stated and shall not be less than the values furnished below.—

1. Voltage rating—33 KV.
2. Flashover KV—Wet—75 KV. Dry—110 KV.
3. Impulse Flashover—Positive—170 KV. Negative 240 KV.
4. With stand KV. Low Frequency. Dry for 1 minute—70 KV. Wet for 10 Seconds—60 KV.
5. Impulse withstand—160 KV.
6. (a) Cantilever upright—4,000 lbs.
   (b) ,, underhung—3,000 lbs.

2·04·00—The flexible disconnects are required to isolate from the Bus, 33 kv. 3 ph. 50 cy. transformers of capacities ranging from 1,000 KVA. to 3300 KVA. The tenderer shall propose suitable fuse ratings.

2·05·00—Tenderer shall quote separate itemised prices for fuses, fuse carriers and liquid if H.R.C. rewirable liquid fuses are offered.

2·06·00—The tenderer shall fill up the following schedule of Technical particulars and submit in 3 copies along with the tenders.

		Fuse Unit.	Refill Unit.	Fuse Supports.
1.	Rate of voltage	...	...	...
2.	Maximum Design Voltage.			
3.	Rated frequency.			
4.	Rated continuous current.			
5.	Rated time current values.			
6.	Rated interrupting current.			
7.	Rated withstand voltage.			
8.	Rated temperature rise.			
9.	Manufacturer's name.			

NOTE.—Numbers stated to be required above is likely to be enhanced at the time of ordering.

An earnest money of Rs 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, S.P.C. and the fact noted in the tender.

To

The Firms dealing in Auto-Spares.

Enquiry No. 15466.

Supply of Radiator required for Dodge Truck 1950 Model—P.W.D. Tumkur Division.

Gentlemen,

No. S.P.C. 68585-614. Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the schedule noted below.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions.

The quotations should be sent in duplicate in sealed covers duly superscribed "**Quotations for supply of Auto-Spare for P.W.D., Tumkur Division**" with the above enquiry number.

This enquiry will be closed on the 3rd January 1957.

SCHEDULE.

F.O.R. Tumkur, Immediat

Radiator Assembly for Dodge Diesel Lorry 1950 Model. One.

N.B.—An earnest money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee, and the fact should be noted in the tender.

Conditions applicable to all the above enquiries.

1. The Stores Purchase Committee do not bind themselves to accept the lowest or any tender but reserve to themselves the right to select from any tender such articles they may consider expedient to accept.

2. The tender must be accompanied by full specifications an details of technical data for the equipment offered, together with the description, drawings and literature.

3. Should an order be placed as a result of the tender, it should be distinctly understood that the materials should strictly conform to our specifications. In the event of aterials not conforming thereto being supplied, the contractors will be required to replace the materials by the correct ones without extra charge.

4. The materials should be supplied within the time stipulated in the tender.

5. In case of dispute as regards the satisfactory performance or otherwise of the contract, the decision of the Stores Purchase Committee shall be final.

6. If any tenderer withdraws from his tender before the period of three months fixed for the acceptance or if the tenderer whose tender is accepted fails to execute the agreement and furnish the deposit of 5 per cent of the value of the contract, the earnest money deposited by him will be forfeited to Government. The earnest money of unsuccessful tenderers will be returned.

7. The prices quoted will hold good for a period of three months from the last day fixed for receiving tenders and in default of doing so, to pay the sum equal to 3 per cent on the aggregate amount of this tender as and by way of liquidated damages.

8. Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance, or non-supply, in time or regularly, or supplying material which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following:—

(i) Cancellation of the indent or order in part or in whole.

(ii) Imposition of penalty at the rate specified in the indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President, Stores Purchase Committee.

(iii) Forfeiture or adjustment of Earnest Money or/and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee.

(iv) Recovery of extra cost, if any, incurred by the Departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

9. The articles and the quantities mentioned in the enquiry are only provisional and the Stores Purchase Committee reserve the right to place orders either for all the articles and for the quantity mentioned in the enquiry or for such of the articles and in such quantities as may be actually required at the time of placing the order and subsequently before the close of three months from the date of expiry of the enquiry and to close the enquiry thereafter. It is open to the S.P.C. to institute fresh

enquiry even earlier, if it considers fit and desirable for satisfactory reasons.

10. Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that, if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

11. The successful tenderer shall be prepared to deposit a security amount not exceeding 5 per cent of the value of the order and to execute an agreement on a Mysore Government Stamp Paper of Re. 1-8-0 for the proper performance of the contract.

12. Quotations with firm prices will be preferred.

13. Sales-tax, if any, should be quoted separately.

14. No enhancement of prices will be allowed after the acceptance of the tender.

N.B.—Quotations will be opened at 2 P.M. on the next working day after the closing date of the Enquiry.

Note:—These conditions hold good for all the above enquiries of this office.
